

**Lorie Smith**  
**Administrative / Farm Management**

Lorie Smith is an efficient, effective, and experienced administrator in a variety of industries including retail, employment, education, healthcare, and legal services. She has worked for partnerships, non-profits, national corporations, and state and federal governments, in the United States and abroad. Lorie is originally from the Northwest, earning a Bachelor's degree in Business Administration (with an emphasis in accounting and finance) from the University of Oregon.

At Scythe and Spade, Lorie provides general administrative support to the Arizona office to track and update Scythe and Spade files, databases, and client accounts. She also communicates directly with tenants and landowners to assist in the management of properties.

New to the industries of agriculture and real estate, Lorie is not afraid to ask questions and is learning fast. Her hard work and dedication to the team is evident and her happy demeanor is a great bonus; we can hear her laughing somewhere in the Scythe and Spade office generally every day.
